Looking Back At Last Month

Build-Your-Own-Salad Bar

Fresh, vibrant, and shared.

Across our communities, we're growing more than just healthy habits. Whether it's a build-your-own salad bar or a conversation over fresh ingredients, these moments are about creating spaces where wellness feels social and natural.

At @larksanmateo, @blakeatberkeley, and @aperturesb, it's not just about what's on your plate—it's about who you're sharing it with.

What Residents are Saying

IM

"The maintenance is equally impressive. Misael is a total pro—whenever we put in a request, he was there quickly and got the job done right the first time. The rest of the team is just as fantastic, ensuring the grounds (pool, clubhouse, gym, dog path, children playground,

yoga room) are clean and everything runs smoothly.."

Sapore Express

A Taste of Italy: Sapore Express San Mateo

Experience the authentic flavors of Italy right in the heart of Downtown San Mateo at Sapore Express. As the fast-casual sibling to the beloved Sapore Italiano in Burlingame, this local gem specializes in fresh, handmade pasta and artisanal sauces crafted from scratch daily. Whether you're craving their signature Radiatori Rustica with ground sausage and peas or the delicate Fiocchetti al Gorgonzola filled with pear and cheese, every dish offers gourmet quality without the long wait. It's the perfect spot for a quick, high-quality weeknight dinner or a convenient take-home meal for those evenings when you want a "slow-cooked" taste on a fast-paced schedule.

Volunteer Days

Investing in Our Community: A Day of Service at Samaritan House

Building a strong community starts with the hands-on dedication of the people who care for it every day. This month, team members from The Lark, Aperture, Blake at Berkeley, and 612 Mariposa came together to volunteer at Samaritan House in San Mateo, where they spent the morning sorting food for local families in need. More than just a service project, the day was an opportunity for our teams to connect, support one another, and witness firsthand how small acts of service can make a lasting impact. After a productive morning of giving back, the teams shared lunch and held their monthly safety meeting, rounding out a day focused on both community well-being and team

unity.
