Gourmet Hot dogs + Boba

Hot dogs + Boba = instant happiness.

Hotdogman and Bobabot rolled through The Lark and brought the flavor! From gourmet dogs to refreshing boba tea, it was a night full of good eats, great vibes, and even better company. We love seeing our community come together—one bite (and sip) at a time.

"I lived in The Lark apartment for a year now and I really like the community here. The management team is awesome, Ruby always responses to my request very fast. They also helped me to receive and move my package to my apartment prior to my move in. There are several other perks of The Lark"

Live Well

Our Blooming Community Garden

We're thrilled to announce the initial harvest from our garden, thanks to one of our dedicated planters! We eagerly anticipate showcasing our garden in full bloom at our upcoming party on July 11th. Should you be interested in any of our fresh fruits or vegetables, please inform Ruby, and she will arrange for our planters to set them aside. As a fun fact, Ruby particularly enjoys fresh mint from the garden for her tea, highlighting the simple joys of homegrown produce.
