What Residents are Saying

HS.

"The location is hard to beat — just a 5-minute walk to Nijiya Market, and close to Highway 92 with easy access to 101 and 280 for

getting around the Bay Area.

It's not just an apartment; it truly feels like a community. The regular events, from seasonal celebrations to casual gatherings, made it easy to connect with neighbors and feel at home."

Local Feature

Lotus & Lime

Local Flavor Spotlight: Lotus & Lime

Experience a fresh take on Southeast Asian flavors with Lotus & Lime. Their vibrant, California-style bowls blend the zesty profiles of Thailand and Vietnam—think ginger, lime, and tamarind—into a nourishing, modern format.

Built on a base of antioxidant-rich purple rice and crisp greens, each bowl features premium slow-roasted proteins like Wagyu beef and seasonal fruits for a perfect balance of color and crunch. Finished with made-from-scratch signature sauces, it's the ultimate bright and balanced meal for takeout or delivery!

THE LARK EARNS 3 STARS

Three Stars. One Extraordinary Team.

The Lark San Mateo is incredibly proud to celebrate three distinguished honors this year — each reflecting the dedication, heart, and excellence behind our community. **Misael Quinteros** was recognized with the Star of Excellence Award for his reliability, leadership, and the pride he takes in keeping The Lark running each day seamlessly.

Maria De Lourdes Jauregui Valencia received the Guiding Star Award for the consistency, care, and attention she brings to her work — creating the welcoming environment our residents truly feel and appreciate. And our Business Manager, **Ruby Ramirez**, earned the highest distinction — the North Star Award — recognizing her as a true guiding light. Ruby's steady leadership, vision, and commitment to excellence shape the culture of The Lark and set the tone for everything we do. These awards are a reflection of the people behind the scenes who make this community not just operate but truly thrive — and we could not be prouder.

Important Gym Renovation Update

Gym Restoration Update: We're Almost There!

We are excited to share that the restoration of our fitness center is moving right along! The larger fitness equipment has been successfully moved back into the gym space, and we are now entering the final stages of the project.

Our next priority is a scheduled fire inspection taking place next week. Once we receive the "all clear," we will move the remaining equipment back in and coordinate the final inspection with the City. We know you're eager to get back to your workout routine, and we appreciate your continued patience as we ensure everything is safe and ready for your return!
