Weekend Feast

What a night! Scary-oke + trivia + amazing food + pups in costume = pure joy. Every laugh, every song, every shared plate reminds us how lucky we are to call this community home. Thank you to everyone (and every pup!) who joined the fun — it's moments like these that make this place feel like family.

What Residents are Saying

MO.

"This is a follow up feedback from my 2016 post. Since I moved back in 2016, my stay at The Lark has been wonderful and worry free. Time came for retirement and it was a mixed feeling. I lived at The Lark for solid 10 years and 4 months plus more than a year during my first stay before moving out. It is 1/6 of my entire life at The Lark with no issue at all and if there was any it was minor and resolved

within hours or at least on the same day. This wouldn't happen without the care and management under Ruby Ramirez and her staff. They are a perfect team! The place is immaculate, thank you Ruby, Mariah and Misael! And there are always activities every month to look forward to for the residents to unwind and enjoy and meet other residents. It's a community. There's a garden to plant vegetables to enjoy and share some harvest as well. You couldn't ask for more. This is my memorable personal experience at The Lark. Visit it yourself in person and you will be amazed how the place is being well taken care of."
