What Residents are Saying

WV

"I have lived here for the past six years, and I'm finally moving away for college this fall. Ruby, Miseal, Lourdes, Maiya, and everyone who has worked here over the years have been nothing but amazing to me and my mom. The community is such a special part of living here, and I've made so many connections and friendships that I will forever cherish and remember. I'm so sad to be moving away this fall, but I'll always be grateful for the memories and experiences I've had here. I promise, even if I ever won the lotto, I'd want to stay here at the Lark! "
