What Residents are Saying

KM.

"I've lived at The Lark for four years and only recently moved to relocate out of state. I've lived at several different apartment complexes prior, and the management and maintenance at The Lark is truly unmatched! Ruby (Manager) is so thoughtful, caring, reliable and puts so much heart and soul in the work that she does! Misael (Maintenance) and Lourdes (Porter) are friendly, dependable and prompt in their actions, I have no complaints whatsoever with this place. I remember I would put in a maintenance request, and the same day, within only a few hours or less, it would be addressed and fixed! The entire complex is very clean! The amenities are great! The clubhouse is beautiful, it was newly renovated within the past year. They have monthly events with free food, drinks and fun! "

The American Dream starts with the neighborhoods -Harvey Milk

We're excited to be back in the Castro on Sunday, October 6, 2024, for the 50th Annual Castro Street Fair! Each year, on the first weekend in October, we continue Harvey Milk's legacy by gathering in the heart of the Castro at the intersection of Market and Castro Streets and the surrounding area to celebrate our diversity and support our community. Hundreds of local artists, vendors, craftspeople, and organizations line the streets to celebrate the neighborhood's diversity. Stages with live entertainment, DJs, and dance areas can be found throughout the fairgrounds.
