Weekend Feast

Weekends at The Lark feel like family

Once again, our breakfast feast drew an incredible turnout—we tried to capture everyone in this video, but the truth is that the love, laughter, and connection here can't all fit in a frame.

We are beyond grateful for a community built on care, connection, and true togetherness. Thank you for showing up, for sharing, and for raising the bar of what it means to live in community.

What Residents are Saying

KKC.

"This apartment truly feels like a 5-star hotel. Clean, convenient, and very well maintained, but with the warmth and comfort of home. The whole place always smells fresh and inviting. The clubhouse is spacious and complete with everything you'd need for a party, from kitchenware to entertainment essentials. The yoga room is spotless and even has a mirrored screen where you can follow along with exercise videos.

A special mention to the manager, Ms. Ruby! she is incredibly accommodating and warm to everyone. She makes you feel at home right away and adds such a welcoming touch to the community. Overall, this is a beautiful, modern place to live with amazing amenities and an excellent team."

Fall Farmer's Market

Harvest the Goodness at the Farmers' Market

Embrace the seasonal transition by adding a little outdoor activity and fresh food to your routine! The San Mateo Farmers' Market is the perfect place to get out, take a stroll, and stock up on nutritious, locally grown produce. Eating fresh, seasonal food is key to your wellness, and October brings a fantastic harvest of squash, pears, pumpkins, and more. Stop by on Saturdays from 9:00 AM to 1:00 PM at the College of San Mateo (CSM) campus for a refreshing start to your weekend!

Important Gym Renovation Update

We want to sincerely thank you for your patience as we continue the gym restoration following the fire in June. While we've kept equipment available in alternative locations, the full project is facing some unavoidable delays due to external factors, including city approvals and long lead times for specialized materials. We understand the importance of this amenity to you and assure you that we are working diligently to complete the full renovation as quickly as possible. Your positive feedback and support for our team mean the world to us as we strive to maintain an exceptional living experience at The Lark.
