Looking Back At Last Month

Pizza & Bingo

Community isn't built overnight—it grows through simple moments shared together.

A slice of pizza, a game of bingo, a few friendly conversations, and suddenly, neighbors become friends.

We loved seeing residents at The Lark, @aperturesb, and @blakeatberkeley come together for a night filled with laughter, connection, and a little friendly competition. Thank you for making these communities feel so special.

What Residents are Saying

CO

"Lived here for four years and had the best time. Ruby and all the staff make you feel so welcome and taken care of. I met some of my favorite people at the quarterly parties and enjoyed karaoke, games, food, dancing, and laughter! I also loved the amenities like the jacuzzi and gym. The surrounding neighborhood was perfect for a stroll and to run around. If you're looking to live in a great community, I would highly recommend living at the Lark"

Pool & Spa Replastering

As we wrap up May, we want to provide an update on our ongoing pool and spa replastering project, which began on May 4th. Our team has been working diligently to complete these important upgrades that will enhance your community experience, just in time for the summer season!

As a reminder, this improvement project carries an estimated timeline of 3 to 4 weeks, which is highly dependent on final city permit approvals. Because San Mateo has a very thorough permitting process to ensure all work meets the highest safety and quality standards, we are currently navigating those final official steps. We appreciate your continued patience and understanding as we work to finish the pool area beautifully and get it ready for your enjoyment as soon as possible!
